RE: Applicants: Tom R. Bartz et al.
Serial No.: 10/615,750
Filing Date: 07/08/2003
PETROS.P00

To whom it may concern:

The postcard for the above identified application was recently received (copy attached) and an error with the filing date was noted therein. We have not yet received the official filing receipt, but we do request that the following correction be made immediately, and prior to issuance of the filing receipt.

The filing date noted on the postcard is incorrect, and does not reflect the actual date on which Applicant filed the application. Applicant filed the application via Express Mail on 07/08/2003 (see attached copy of Express Mail form label 11-F and accompanying postage receipt slip with same Exmail number on each). The filing date for the application should therefore be 07/08/2003 and not 07/09/2003, as indicated on the postcard.

Thank you for your assistance. Please call the Applicants' attorney if there are further questions.

Very truly yours,

Patrick Michael Dwyer
